DPW Emergency Contractors' List - Continuous Solicitation. DPW is seeking contractors to perform work for the City in the event of an emergency & will create a list of contractors to obtain construction services on an emergency basis in accordance with the San Francisco Administrative Code Section 6.60 requirements. The emergency work will be performed on a time & materials basis with a not to exceed amount unless authorized by DPW. Contractors interested in being placed on this list should submit a cover letter requesting to be placed on the list with a completed questionnaire (attached below). Submit the cover letter & questionnaire by regular mail or email to:

Mr. Severino Caranto, Jr.
Department of Public Works
30 Van Ness Avenue, 5th Floor
San Francisco, CA 94102

DPW will accept requests to be placed on the Contractors' List on a continuous basis. DPW reserves the right to refuse any Contractor a place on the list. Contractors shall update their information by submitting a new questionnaire with the updated information clearly highlighted to the above address. The Contractor may remove itself from the list by notifying DPW in writing, at the above address. Contractors must agree to perform emergency work & will be required to respond & mobilize to perform work at a job site within 2 to 4 hours. RFP 307 Proposal to Provide Respite Services to At Risk Families. On April 15, 2005 (1:14pm), "RFP 307.doc" and "Contract Budget forms.xls" were added.

The City and County of San Francisco Human Services Agency (HSA) is seeking a contractor for the provision of respite care for families with children at-risk of abuse or neglect. The Department expects to select one contractor through this RFP to offer both on-going and emergency in-home and out-of-home respite services. The respite program provides parents with the opportunity to complete Family and Children's Services (FCS) service requirements or other parental duties that might otherwise be delayed due to lack of temporary childcare. Respite services are intended to decrease parental stress and support families. Respite is part of an array of services and resources to support the care of at-risk children. This contract primarily serves referrals from the FCS division of the Human Services Agency. Pre-bid conference, April 28, 3 p.m., 1650 Mission, Third Floor, Suite 300.

CONSTRUCTION

DPW Emergency Contractors' List - Continuous Solicitation. DPW is seeking contractors to perform work for the City in the event of an emergency & will create a list of contractors to obtain construction services on an emergency basis in accordance with the San Francisco Administrative Code Section 6.60 requirements. The emergency work will be performed on a time & materials basis with a not to exceed amount unless authorized by DPW. Contractors interested in being placed on this list should submit a cover letter requesting to be placed on the list with a completed questionnaire (attached below). Submit the cover letter & questionnaire by regular mail or email to:

Mr. Severino Caranto, Jr.
Department of Public Works
30 Van Ness Avenue, 5th Floor
San Francisco, CA 94102

DPW will accept requests to be placed on the Contractors' List on a continuous basis. DPW reserves the right to refuse any Contractor a place on the list. Contractors shall update their information by submitting a new questionnaire with the updated information clearly highlighted to the above address. The Contractor may remove itself from the list by notifying DPW in writing, at the above address. Contractors must agree to perform emergency work & will be required to respond & mobilize to perform work at a job site within 2 to 4 hours. Contractors must also submit valid insurance certificates prior to start of any fieldwork.

The attached Questionnaire was revised on 2/15/2005 to add new information. If you have already submitted a completed questionnaire, you will not be required to fill out another form until you submit new or annual updates whichever comes first.

NOTICE OF COMMISSION HEARING POLICIES AND PROCEDURES

Meeting Procedures

The Human Rights Commission (HRC) considers resolutions and actions, most of which have been the subject of hearings before the standing committees of the HRC at which members of the public are urged to testify. HRC procedures do not permit: 1) persons in the audience to vocally express support or opposition to statements by Commissioners or by other persons testifying; 2) ringing and use of cell phones, pagers and similar sound-producing electronic devices, (Violators may be removed from the meeting room.); and 3) signs to be brought into the meeting or displayed in the room.

Citizens are encouraged to testify at HRC Meetings and to write letters to the HRC and to its members: 25 Van Ness Avenue, Suite 800, San Francisco, CA 94102. Agendas are available on the internet at www.sfhrc.org. THE AGENDA PACKET IS AVAILABLE AT THE HRC MAIN OFFICE, 25 VAN NESS AVENUE, SUITE 800, RECEPTION DESK. Requests for language translation at a meeting must be received no later than noon the Friday before the meeting. Contact the Commission Secretary at 415-252-2500.

Disability access

The Regular Commission Meeting is in Room 416 of City Hall, 1 Dr. Carlton B. Goodlett Place. The meeting room is wheelchair accessible. The closest accessible BART Station is Civic Center, three blocks from City Hall. Accessible MUNI lines serving this location are: #47 Van Ness, and the #71 Haight/Noriega and the F Line to Market and Van Ness and the Metro stations at Van Ness and Market and at Civic Center. For more information about MUNI accessible services, call 923-6142. There is accessible parking in the vicinity of City Hall at Civic Center Plaza and adjacent to Davies Hall and the War Memorial Complex.

The following services are available when requests are made by noon of the Friday before the meeting. This advance notice will help ensure availability: American Sign Language interpreters, use of a reader during a meeting, assistive listening device, or large print copy of agenda or minutes in alternative formats. Accessible seating for persons with disabilities can be made available. Following a meeting, meeting proceedings can be made available in alternative formats. To make arrangements or for information, contact Toni A. Delgado, 252-2500 (Voice) or 252-2550 (TDD).

In order to accommodate persons with severe allergies, environmental illness, multiple chemical sensitivity or related disabilities, attendees at public meetings are reminded that other attendees may be sensitive to various chemical based products.

Know Your Rights Under the Sunshine Ordinance

Government's duty is to serve the public, reaching its decision in full view of the public. Commissions, boards, councils and other agencies of the City and County exist to conduct the people's business. This ordinance assures that deliberations are conducted before the people and that City operations are open to the people's review.

For information on your rights under the Sunshine Ordinance (Chapter 67 of the San Francisco Administrative Code) or to report a violation of the ordinance, contact Donna Hall by mail to Sunshine Ordinance Task Force, 1 Dr. Carlton B. Goodlett Place, Room 244, San Francisco CA 94102, by phone at (415) 554-7724, by fax at (415) 554-5784 or by email at Donna.Hall@sfgov.org

Citizens may obtain a free copy of the Sunshine Ordinance by contacting Ms. Hall or by printing Chapter 67 of the San Francisco Administrative Code on the Internet, at <http://www.sfgov.org/sunshine.htm>

Lobbyist Registration and Reporting Requirements

Individuals and entities that influence or attempt to influence local legislative or administrative action may be required by the San Francisco Lobbyist Ordinance [SF Campaign & Governmental Conduct Code Sec. 2.100] to register and report lobbying activity. For more information about the Lobbyist Ordinance, please contact the San Francisco Ethics Commission at 30 Van Ness Avenue, Suite 3900, San Francisco, CA 94102; telephone (415) 581-2300; fax (415) 581-2317; web site www.sfgov.org/ethics

RFQ As-Needed Fire Protection, Fire Alarm and Security Systems: Inspection, Maintenance and Repair Work.

This solicitation seeks to establish a pool of qualified firms capable of providing all labor, materials, supplies, equipment and the performance of work necessary; and as needed to repair, maintain and certify the Port's fire sprinklers, fire alarm and security systems. Liquidated damages may apply to some work. The Engineer's estimate is \$150,000 for the first phase of miscellaneous work to be performed immediately within 1-12 months.

Required License(s): Fire Sprinkler work; C-16 Fire Alarm & Security work; C-10

DBE Requirements: San Francisco Administrative Code, Chapter 14A--Disadvantaged Business Ordinance requirements apply to work awarded under this solicitation. A 15% DBE subcontractor participation goal is anticipated for each Master Agreement and a 10% bid discount will apply for each request for quotation. All subcontractors, if any, must be listed with bids pursuant to HRC and PCC requirements.

Prevailing Wage Requirement: Pursuant to San Francisco Administrative Code Chapter 6 - Section 6.22, contractors and subcontractors performing work on this project must comply with the city and State Labor Code requirements to pay prevailing wages as determined by the State of California Department of Industrial Relations. Minimum wage rates other than applicable general prevailing wage rates must comply with San Francisco Administrative Code, Chapter 12P, Minimum Compensation Ordinance.

Bonding & Insurance Requirement: The successful bidder for any work classified as public works or improvement must provide corporate surety bonds for faithful performance thereof and guarantee the payment of wages for services engaged and the bills contracted for material, supplies and equipment used in the performance of the contract at 100%. Bonds will be required before issuance of a contract service order. A certificate of insurance with endorsements as specified in the RFQ is required before issuance of a contract.

Contract Issuance: Each qualified firm will be asked to enter into a Master Agreement in essentially the same form as provided in the RFQ. Firms deemed qualified must promptly execute the Master Agreement in order to be eligible to bid work. Requests for quotations will be periodically solicited from qualified firms with Master Agreements, as needed, resulting in the issuance of Contract Service Orders. Pursuant to City Charter Section 3.105, all contract awards are subject to certification by the Controller as to the availability of funds.

The Port reserves the right to reject any or all RFQ responses, as well as to waive any minor irregularities in the procurement process. Please refer to the entire RFQ solicitation document for all requirements.

Hotel Essex Rehabilitation – Architectural Services. Mercy Housing California (MHC) and Community Housing Partnership (CHP) are requesting statements of qualifications and proposals from architects to provide a full range of architectural services related to the rehabilitation of an early 1900's seven-story hotel building, with ground floor commercial uses, located on Ellis Street in the Tenderloin District of San Francisco. The property was recently acquired by MHC and will be managed by CHP. Major elements of the proposed renovation include converting 108 rooms into 84 units with kitchenettes and bathrooms, build-out of the basement as program spaces, replacing heat distribution systems (steam piping), plumbing supply lines, waste and vent stacks, and upgrading the electrical service and elevators. The preliminary rehabilitation estimate for the development is \$4.5 million; renovation is planned to commence in June, 2006. The RFP and attachments are available electronically, or in hard copy at the MHC offices at 1360 Mission Street, Suite 300, San Francisco, CA 94103, Monday thru Friday 9 a.m. to 5 p.m.

DBE Requirements: San Francisco Administrative Code, Chapter 14A--Disadvantaged Business Ordinance requirements apply to work awarded under this solicitation. A 15% DBE subcontractor participation goal is anticipated for each Master Agreement and a 10% bid discount will apply for each request for quotation. All subcontractors, if any, must be listed with bids pursuant to HRC and PCC requirements.

Prevailing Wage Requirement: Pursuant to San Francisco Administrative Code Chapter 6 - Section 6.22, contractors and subcontractors performing work on this project must comply with the city and State Labor Code requirements to pay prevailing wages as determined by the State of California Department of Industrial Relations. Minimum wage rates other than applicable general prevailing wage rates must comply with San Francisco Administrative Code, Chapter 12P, Minimum Compensation Ordinance.

Bonding & Insurance Requirement: The successful bidder for any work classified as public works or improvement must provide corporate surety bonds for faithful performance thereof and guarantee the payment of wages for services engaged and the bills contracted for material, supplies and equipment used in the performance of the contract at 100%. Bonds will be required before issuance of a contract service order. A certificate of insurance with endorsements as specified in the RFQ is required before issuance of a contract.

Contract Issuance: Each qualified firm will be asked to enter into a Master Agreement in essentially the same form as provided in the RFQ. Firms deemed qualified must promptly execute the Master Agreement in order to be eligible to bid work. Requests for quotations will be periodically solicited from qualified firms with Master Agreements, as needed, resulting in the issuance of Contract Service Orders. Pursuant to City Charter Section 3.105, all contract awards are subject to certification by the Controller as to the availability of funds.

The Port reserves the right to reject any or all RFQ responses, as well as to waive any minor irregularities in the procurement process. Please refer to the entire RFQ solicitation document for all requirements.
